Capacity Boost - Strengthening Youth Workers Associations

free online course for **National Youth Workers Associations**

The main aim of the course is to empower existing national youth work associations by enhancing their capacity in areas such as association and member management, internal communication, research, and the recognition of youth work.

How? Facilitated course with interactive content.

Who is the course for? Employees, members of the bodies, engaged volunteers in the national youth workers associations across Europe

Where? HOP platform

Language: English

Recognition of learning: Learning badges are provided for completion of each unit. All participants that complete at least 80% of the course obligations are entitled to receive Youth Pass certificates.

Registration: All interested participants should fill out [registration form](#) by **20th of September 2024 at noon**.

Selected participants will be notified the same day and invited to join the course.

Structure of the course:

- ✓ Course opens on the 20th of September 2024
- ✓ Each week new unit opens on the HOP platform.
- ✓ Each unit opens on Monday and closes on Sunday.
- ✓ Expected time to dedicate per unit is up to 3 hours per week for self-paced learning (at the time that suits you the best).
- ✓ In the first and the last week, Zoom meeting is planned with all participants
- ✓ Two webinars are planned with invited guests, happening **from 12 to 1.30 pm CET on:**
 - **October 11th**
 - **October 14th**
 - **October 21st**
